

## **2018 Winter Opening Hours.**

Dear Member,

The Clubhouse is currently operating on our winter hour's program and is open from 11 am every day bar a Tuesday and Wednesday when the clubhouse is closed.

The doors to the changing rooms and foyer are opened at first light to allow members into the respective areas.

Can I give a gentle reminder to all those who have not yet paid their subs for 2018 that these are now due and can be paid by the usual methods: Cash or Credit/Debit card at the bar or by signing up to the fairways credit scheme.

Subs can be paid during the hours stated above (from 11 am every day bar a Tuesday and Wednesday when the clubhouse is closed)

Thanks

Dave
