

*Volunteer request for assistance
Green Keeping Staff*

Dear Member,

As you know, Longside Golf Club prides itself it being a real community club and over the last few years we have had great support with our members in helping maintain a hole during the playing season.

This involves the filling of divots and assisting the greens staff maintain bunkers.

We now have 3 holes available and if this is something you feel you would be keen to help with we would be delighted to hear from you!

The work currently done by our volunteers has gone a long way to safeguarding the future of our club and we could really use your support with this.

Many thanks,
Longside Golf Club
