

## **Additional Volunteers required to help out on the course**

Dear Members,

Longside Golf club is looking for additional volunteers to help out on the course. Even though you can only spare a few hours per week that would be sufficient to help with many of the jobs that are required to be done on a regular basis. These could typically be looking after one of the fairways to fill the divots, or help strimming around the bunkers or trees, raking or weeding the bunkers or help maintaining the benches etc.

Thanks in advance for your continued support and assistance

LGC Committee
