

## **BUCHAN SENIORS GOLFING ASSOCIATION**

### **LONGSIDE SECTION**

The Longside section of the Buchan Seniors has twenty seven ordinary members and at the moment has one honorary member namely John Robertson.

Presently at the end of 2013 there are approx eight people on the waiting list to join which is displayed on the senior's notice board

To be considered for membership at Longside there are a few qualifying requirements which are listed below.

- Only players with Longside as their home club will be considered for membership.
- New members must play in Longside Seniors section for one year and have played in at least half of their fixtures before becoming eligible for membership.
- Must continue to play with Longside Seniors on a regular basis after being admitted
- Must have been a member of Longside GC for at least 3 years.
- Must be aged 58 or over before joining waiting list and 60 before joining BS

Any member of Longside GC that satisfies the criteria is more than welcome to apply to join by filling in a small request form available on the Seniors notice board and forwarding to the local rep who at this time is Syd Burnett.

Any other member who applies but does not qualify will have their application held by the rep until they satisfy the requirements.

For members who have web access there is a very good Buchan Seniors web site now available with lots of info.

I hope this goes some way to clarify the Buchan Seniors section at Longside.

Regards S Burnett
